4. Requests based on job obligations or changes in employment responsibilities.

Requests for Refunds Due to Financial Hardship

Students who withdraw from the University due to significant financial hardship may request a refund or reduction of tuition and associated fees that are not typically eligible for refund (as outlined in 110 ILCS 66/20). The Vice Chancellor for Enrollment Management (or their designee) will review these requests. Refunds for tuition and general student fees are granted at the University's discretion. Students must provide appropriate documentation to support their request by the **last day of the term** in which they withdrew.

Additional Information:

- Filing an appeal does not relieve your current obligation to SIUC. You are responsible for all charges assessed on your account pending a decision on your appeal.
- If your appeal is approved, it may affect your financial aid. Contact a Financial Aid representative at 618-453-4334 or email fao@siu.edu to determine the impact of your appeal on your financial aid.
- Veteran and military personnel receiving educational benefits may receive a fiscal consequence to their aid for pursuing a backdated withdrawal. Contact the Veterans Services at 618-453-1335 or email vets@siu.edu.
- Courses will remain on the transcript and reflect a withdrawal grade (W).
- Appeals are granted on a one-time basis. Multiple appeals for the same circumstances will not be considered. If an appeal is approved, future requests for extensions of registration, withdrawal, or refund deadlines will not be approved, absent significant exceptional circumstances.
- The deadline to submit an appeal for death in the immediate family is **one academic year** from the end of the semester in question. The deadline to submit an appeal for financial hardship is the **last day of the term** in which the withdrawal and hardship occurred.
